CAREER SUMMARY

Entry-level Computer Science student with strong skills in Python, SQL, and data analysis. Experienced in data cleaning, visualization, and building small machine learning projects. Passionate about solving real-world problems using programming and data.

EDUCATION

Pace Institute of Technology & Sciences — *Valluru, Andhra Pradesh*

Computer Science & Engineering - **Bachelor of Technology** — 2022 - 2026

CGPA: 8.95

Government Junior College — Chimakurthy

Physics, Chemistry & Mathematics - **Intermediate** — 2020 - 2022

Percentage: 89%

Government High School — East Gangavaram

Degree in Secondary Schooling — 2016 – 2020

Percentage: 95%

PROJECTS

Climate Change Impact Prediction on Agricultural Land Suitability Using Machine Learning — Dec 2025 – Feb 2026

- Built a machine learning system for crop yield and production forecasting using climate features.
- Trained and evaluated Decision Tree, Logistic Regression, and KNN models.
- Developed a Django web application with integrated visualizations for decision support.

IPL 2025 Relational Database System — Jan 2025 – Feb 2025

- Designed and normalized a relational database schema for cricket analytics.
- Built optimized SQL queries to generate performance insights.
- Performed data validation and indexing to improve query efficiency.

INTERNSHIPS

Data Analysis Intern - 42Learn — May 2025 – July 2025

- Cleaned and preprocessed 10,000+ records using Python and Excel to ensure data quality.
- Built interactive Tableau dashboards for KPI tracking and trend analysis.
- Created dashboards and reports that improved analysis efficiency.

SKILLS

Programming & Databases: Python, C, SQL, MySQL

Data Analysis: Pandas, NumPy, Excel

Visualization & Tools: Tableau, Matplotlib, Seaborn, Git, VS Code

CERTIFICATIONS

- **AIML + Data Science + BigQuery using Tableau** – 42Learn
- **Data Visualization Virtual Experience Program –** Tata (Forage)
- **Python Programming** – CodeTantra
- **Machine Learning & Data Science Virtual Internship –** EduSkills

ACHIEVEMENTS

- **Winner**, Pseudocode Competition among 600+ participants (Score: 88/100).
- **Best Event Coordinator**, Science Fest, Government Junior College (2022).
